Hi there,

Forwarding this on to see if there are any updates needed. Before I left, I had suggested just leaving my name to make things easier and since I am still in the building. I am still fine with

that if that works best. Let me know if there are any edits needed, or feel free to respond to Caryn and cc me.

Thanks,

Dee

Hello,

We are preparing information for OMB review and eventual public release of the semiannual regulatory agenda. You are listed as the point of contact for the **Federal Implementation Plan for Existing Oil and Natural Gas Sources; Uintah and Ouray Indian Reservation in Utah** rulemaking. Is that correct? If so, can you verify and/or update the information attached?
